

Nursery Knowledge Organiser: Summer Term 2021

Our question this term is: What music is played around the world?

Key books this term

PSED Time for transition!

Getting ready for school.

Induction days and visits to our new schools and meeting our new teacher.

Reflecting on our learning journey in Nursery, using our own Learning Journals to talk about our experiences.

Talk about our feelings on moving to a new school and how we can overcome any worries we may have.

Literacy

Writing my name

Writing speech bubbles and learning about comic strips

Beginning to blend and segment the sounds in CVC words.

Use the Nursery Lending Library to share books at home.

Mathematics

We will be learning about addition and applying this to our own number problems.

Subitise numbers to 5.

More and Less— we shall be learning to recognise what is 1 more or one less than a given set

Creating pictures and arrangements with shapes.

Expressive Art and Design

We will be learning all about different kinds of music from all around the world.

We shall be exploring a range of percussion instruments, making our own shakers and learning a whole new repertoire of songs and dances.

EAD & Technology

We are continuing to work with actor Craig Stevens from theatre company 'Stan's Café'.

We are exploring creating comic books using an app called 'Comic Life' and learning how to use Green Screen technology!
