

Raddlebarn in Bloom

16th July 2024

We are really looking forwards to **Raddlebarn In Bloom 2024**.

We would like to invite all families to get involved. Work with your children over the next few weeks to make and grow a *Creative Container*. Bring it into school at home time on Monday 15th July to make it part of your child's class display.

Let your creativity run free! **You can use anything you like** to make your container: pots, tins, pans, bags, wellies. ... Be as creative as you like as long as it's **easily transportable** so that you can bring it into school for the event!

You can plant flowering plants, herbs or vegetables ... or any combination of things. Most importantly, please have lots of fun and enjoy planting and caring for your Creative Container so that it flourishes and blooms in time for the event.

All families are invited to visit the event on 17th July to see all of the wonderful displays. Further details of times will be sent after half term.

Families will collect their Creative Containers and take them home at the end of the day on **Thursday 18th July** so that you can enjoy them over the summer holidays together.
